Mr. Charles V. Collier,
P. O. Box 3191,
St. Petersburg, Fla.

My dear Sir:

I have your favor of May 29th. I have almost completed my genealogy of the Collier Family from the Fourteenth Century. My father's name was Isaac Cuthbert Collier. He was the grandson of Robert Collier who was a son of Vines Collier. They came from Virginia to Wilkes County, Ga., in 1781 and he is buried at old Salem church near Lexington, Oglethorpe County.

The names Robert, Vines, William, Cuthbert, Hicks, Efford, Marshall, Isaac, Ben, etc., appear in every family for many generations.

I would appreciate it if you would fill in the enclosed blank and return to me at your earliest convenience, giving the information as near as you can.

The Hon. B. F. Mann of Brunswick was telling me about you last Summer while in Atlanta.

Very respectfully,

J. C. Collier.
